

# Eight Medellin Happiness Principles

1. Look for God to bless you just when you need it
2. There is beauty in every living creature
3. Go with the flow and take what life offers
4. Trust your knowledge and stick with your discipline
5. Your life is truly a dream, so live your dreams
6. Live to your highest potential
7. Everything in your life will work out because it is your destiny
8. Don't worry about a thing, because every little thing is going to be alright
